Home Sponsorship Form

Your \$5,000 home sponsorship helps to provide materials for one of our Rebuilding Day Projects and gets you:

- A sign with your business name on your home site 1 month prior to Rebuilding Day
- Opportunity to display one corporate banner at home site on day of event
- Name recognition on event materials such as locally generated newspaper advertising, annual report, house sign.

We encourage you to bring a group of volunteers on Rebuilding Day and to talk about the Rebuilding Together mission at your place of business.

Rebuilding Together Long Beach is a non-profit organization that repairs the homes of low-income homeowners, especially the elderly, disabled, or families with children. We rely on donations of time and money from within our community.
